Cookies

Our websites use cookies. Cookies are small text files that are stored by your browser on your device. We use cookies to make our websites more user-friendly, effective and secure. By way of an example, cookies enable the technical implementation of a user session in our online catalog. Further, cookies provide information which enables us to optimize our websites to meet user requirements.

All of the cookies we use are session cookies. These are automatically deleted when closing your browser.

All cookies on our websites contain purely technical information in a pseudonymized or anonymized format, with no personal data.

The following cookies are used when you access the help.mguard.com website:

Name	Purpose
testcookieone	Tests the cookie support of the client software.
testcookietwo	Tests the cookie support of the client software.
rhandsearch	Stores whether the search functionality uses the AND operation to combine search terms.
rhl	Stores whether search terms are highlighted.
rhlbgcol	Stores the background color used for highlighted search terms.
rhltextcol	Stores the text color used for highlighted search terms.
